

Theme: *Shaping the Future of Education and Human Sciences through Artificial Intelligence, Innovation and Human-Centered Transformation*

1. ABOUT THE CONFERENCE

The International Conference on AI, Education and Human Sciences (ICAIEHS) brings together academics, researchers, educators, technology professionals, policymakers, postgraduate students, and industry leaders from around the world to explore emerging developments in artificial intelligence, educational innovation, and the human sciences.

The conference provides an international platform for presenting research, exchanging knowledge, building professional networks, and fostering interdisciplinary collaboration to address contemporary challenges and opportunities in a rapidly evolving world.

2. KEY CONFERENCE THEMES

- Artificial Intelligence and Emerging Technologies
- AI in Teaching, Learning and Educational Assessment
- Digital Transformation and Educational Innovation
- Human Sciences, Psychology and Human Development
- Social Sciences, Sociology and Cultural Studies
- Humanities, Philosophy, History and Linguistics
- AI Ethics, Governance, Privacy and Responsible Innovation
- Educational Leadership, Policy and Curriculum Development
- Human–Computer Interaction and Digital Society
- Research Methods, Interdisciplinary Studies and Innovation

3. WHO SHOULD ATTEND?

Academics • Researchers • University Lecturers • Educators • AI and Technology Professionals • Policymakers • Industry Practitioners • Postgraduate Students • Research Institutions

4. WHY PARTICIPATE?

- Present your research and innovative ideas.
- Engage with an international academic community.
- Exchange knowledge across disciplines.
- Develop research partnerships and professional networks.
- Explore emerging trends in AI, education and human sciences.
- Contribute to discussions shaping the future of research and learning.

5. CALL FOR PAPERS AND PRESENTATIONS

Researchers and professionals are invited to submit original research papers, case studies, conceptual contributions, and innovative findings relevant to the conference themes.

Join an international community advancing knowledge, innovation and human-centered progress.

Organized by: Centre for Advanced Management, Research, Development and Innovation (CAMRDI)

Website: www.camrdi.org

Conference Website: www.icaiehs.org

Date: May 10 – May 14, 2027

Venue: Bonn, Germany

Submit your research. Share your ideas. Shape the future.
